

# VAMSIKRISHNA R

## Java Full Stack Developer

### Contact

---

**Phone:** 9398461186

**E-Mail:** rvamsikrishna258@gmail.com

**Address:** Chennai, India

### Education

---

**Master of Business Administration**

Sri Venkateshwara University  
2022 - 2024

**Bachelor of Science**

Sri Venkateshwara University  
2018 - 2021

### Skills

---

Object-oriented programming

SQL databases

Java

HTML

Critical Thinking

Leadership

### Language

---

- English
- Telugu
- Tamil

### About Me

---

Developed strong analytical and problem-solving skills in fast-paced collaborative environment. Gained hands-on experience in Java programming, debugging, and software development, seeking to transition into new field where these skills can be utilized and further expanded.

### Experience

---

**Java Full Stack Intern**

**Megan Soft**

Nov-2025\_present

- Integrated user-facing elements developed by a front-end developer.
- Improved user experience by designing and implementing intuitive user interfaces for Java applications.
- Collaborated with programming analysts, designers and testers to identify needed features and edits.
- Integrated multiple data sources and databases into one system.
- Collaborated with team members for successful completion of software development projects within deadlines.
- Managed APIs integrations with third-party services, enabling seamless data exchange between systems.
- Created documentation for developed software components, facilitating easy maintenance and future updates.
- Debugged and corrected computer programming errors with advisory from master developer.
- Wrote clean code for functional web applications under instruction of master developer.

### DECLARATION

---

I here by declare that all the information given above is true and correct to the best of my knowledge and Belief
